VOLUNTEER VISION

laughter • friendship • support • hope

a Doanę-R!

SPOTLIGHT ON FUNDRAISING

Why does Doane House Hospice need your help?

As you know, DHH needs to raise 80% of its budget EVERY year! That is a significant challenge and we can't do it alone.. This edition therefore looks at ways we can all help to enable DHH to offer its free programs and services to an increasing number of clients.

THANKS!

Volunteers are not paid, not because they are useless but because they are priceless!

Anon

have contributed an average of 10,000 volunteer hours per year. Based on equivalent value from Canada Statistics: National Classification of Statistics 2001, this equates to an annual monetary 'value' of \$220,000 . However, we all know that you cannot put a figure on the 'value' of your dedicated hours .
