CORPORATE  
MATCHING

As you can see, there are many ways to support DHH. One great way is Corporate Matching where your employer donates to DHH for every hour you volunteer! Why not ask your employer if they offer this (or try to convince them to introduce it!).

But these are just some of the methods that you can utilize in order to continue to support DHH - you can be as inventive as you like! We have had volunteers giving dinner parties and asking for the hostess gift to be a donation to DHH. Others have had their own small bake sale to family and friends. There is no end to the ways in which you can raise money and awareness - so let us know your ideas and we will post them on the website.

**Together we are unstoppable!**

### NETWORKING IS THE FUTURE

Whether we like it or not, networking is big! In fact, its popularity and importance is ever growing and we need to take advantage of its benefits. As you know, DHH has joined the facebook and Twitter universe and regularly posts updates and information. In order to increase awareness and to fundraise, we need to reach as many people as possible. Just image if all of you shared our message with all of your contacts and they all shared it with their network and so on...  
Wow!

We are also always looking for silent auction items, so please spread the word and be on the look out for any opportunities!
