

Please remember that as a DHH volunteer,

supporting our events is part of your commitment.

Doane House Hospice hosts a number of **Fundraising Events** throughout the year. Each event requires financial sponsors, donated prizes and silent auction items and, of course, eager attendees.

Doesn't it also make sense to financially support the organization where you donate your time? You know first-hand the difference that those funds can make. **Monthly Giving** is important to DHH as the guaranteed income enables us to budget more efficiently as it provides a predictable stream of income and allows us to cut down on mailing and administrative costs. By making a predetermined contribution from your credit card, giving becomes much more convenient for you because it saves writing and mailing cheques and the cost of postage.

Do you know anyone who could host a **Third Party Event** for us? These are created, managed and run by various businesses, individuals, groups and service clubs for the benefit of Doane House Hospice. Ideas include golf tournaments, raffles, walk-a-thons, car washes, BBQ's, to name just a few.

You can direct also your **United Way** charitable payroll deduction to Doane House Hospice. When completing your pledge card, please remember to include our name and charitable number – 14033 7437 RR0001.

In Memoriam Gifts - by making a memorial donation to DHH, you are giving a gift of remembrance of a special person. At your request, we will send notification of the gift to the family, though amounts are never disclosed.

Tribute Gifts honour special people on your behalf and is a wonderful way to celebrate special occasions like new arrivals, birthdays, anniversaries, promotions or retirements.

Planned Giving is a means for you to continue to support your charitable interests in a meaningful way now, and in the future, by giving some of your assets to a registered charity and receiving important tax credits in your favour. There are many ways to make immediate donations or a planned gift.

Make a **cash donation now** or in the future and receive a tax credit for the amount donated. **Make a donation in kind:** Donate publicly traded stocks or securities directly to Doane House Hospice and receive a tax credit for the full value under recent tax law changes. Establish a Private Foundation with Doane House Hospice as one of the charities. Establish a Charitable Life Annuity. This will provide you with a lifetime income and provide Doane House Hospice with the assets. You will receive a tax receipt for a portion of the donation. Planned gifts can also be created by Donating a

Life Insurance Policy Designate Doane House Hospice as the sole or partial beneficiary on an existing insurance policy, or purchase a new policy specifically for charitable giving purposes. Tax receipts are issued for portions of the ongoing premiums paid.
